• Q1 Inhoud : ontvangen informatie	Contenu : information reçue
• Q2 Inhoud : praktische waarde (rechtstreeks of onrechtstreeks)	Contenu : valeur pratique (direct ou indirect)
• Q3 Presentatie: mondelinge presentatie, interactie	Présentation : présentation orale, interactivité
• Q4 Presentatie : ondersteuning en illustratie	Présentation : support et illustrations de l'exposé
• Q5 Documentatie : syllabus, documenten, notities	Documentation : syllabus, documents, notes écrites
• Q6 Kwaliteit organisatie van de opleiding in het algemeen : informatie vooraf, uitnodiging, ontvangst, lokaal	Qualité de l'organisation de la formation en général : information préalable, invitation, accueil, local
• Q7 Globale tevredenheid	Satisfaction globale

Evaluatie Vormingen NRL 2007 / Evaluation Formations LNR 2007

Maximale score = 5 / score maximum = 5

Vormingen NRL gegeven in 2007 / Formations LNR données en 2007

- **22/02/2007: First Workshop Pesticides (WIV-ISP)**
- **16/03/2007: Bluetongue virus real time RT-PCR (CODA-CERVA)**
- **22/03/2007: Residues (Council Directive 96/23/EC – Annex 1)**
- **27/04/2007: Method validation (WIV-ISP)**
- **11/05/2007: New regulation on control of raw milk (ILVO-CRA)**
- **22/05/2007: Norovirus (WIV-ISP)**
- **12/06/2007: Ochratoxin A in some commodities (WIV-ISP)**
- **21/06/2007: Workshop Tranquilizers (WIV-ISP)**
- **21&22/06/2007: Twelfth Conference on Food Microbiology (ULg)**
- **06/09/2007: Regulations and norms applicable to GMO analysis in food/feed (NRL GGO / LNR OGM)**
- **05&07/09/2007: Measurement Uncertainty (organised by FASFC and given by Peter Vermaercke)**
- **20/09/2007: real-time RT-PCR (CODA-CERVA)**
- **04/10/2007: New criteria for microbiological methods with respect to dairy products (ILVO-CRA)**
- **09/10/2007: Workshop Animal Proteins (FLVVT)**
- **18/10/2007: Voedselvergiftigingen / Toxi-infections (WIV – VTI / ISP – TIA)**
- **18/10/2007: Workshop Heavy metals and Food contact materials (WIV-ISP)**
- **10 & 24/10/2007: Vorming Trichinenonderzoek / Formation Recherche Trichines (ITG)**
- **25/10/2007: Workshop Tuberculose (CODA-CERVA)**
- **12/11/2007: Workshop Brucellose (CODA-CERVA)**
- **13/11/2007: Opleiding TSE – Formation EST (CODA-CERVA)**
- **20/11/2007: Workshop “Dioxins and Dioxin-like PCBs” (FLVVT – WIV/ISP – CART)**
- **21/11/2007: Training on Microbiological Criteria (ULg)**
- **29/11/2007: Workshop PCB (WIV-ISP)**
- **3-5/12/2007: Course on “Screening for GMO presence in food/feed materials” (NRL-GMO)**
- **10/12/2007: Workshop “Measurement uncertainty in the framework of Decision 2002/657/EC” (WIV-ISP)**
- **11/12/2007: Workshop “Measurement uncertainty in microbiology” (organised by FASFC and given by R. Abrams)**
