

Avertissement de la société Ansolive sprl pour les personnes présentant une allergie

05/11/2021

Avertissement de Ansolive sprl

Produits : dips (houmous) et olives

Allergène non mentionné sur l'étiquette : Arachides

La société Ansolive sprl a été informée par son fournisseur qu'une partie de l'huile de tournesol livrée chez Ansolive a subi une contamination par de l'huile d'arachide.

Cette huile de tournesol étant utilisée dans diverses préparations, il est donc possible de trouver des traces d'huile d'arachides dans ces produits.

La présence d'arachides n'étant pas mentionnée sur l'étiquette des produits susmentionnés, il a donc été décidé en concertation avec l'AFSCA de retirer ce produits de la vente.

Si vous présentez une allergie aux arachides, ne consommez pas ce produit et ramenez-le au point de vente dans lequel le produit a été acheté.

Les personnes non allergiques ou ne présentant pas d'intolérance aux arachides peuvent le consommer sans aucun risque.

Description des produits :

La liste des produits concernés, incluant la marque, le type de packaging, le lot, et la DLC se trouve ci-dessous.

Le client, distributeur ou l'enseigne ayant acheté les produits est également renseigné dans ce listing.
