

## List of recognised certification bodies

### - overview per guide -

(14 November 2003 - Royal Decree on self-checking, notification requirement and traceability in the food chain)

#### ■ G-001 - Guide for self-checking for feed

 B&S Qualicert sprl

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 Certione srl

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 Foodchain ID Certification

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 Schouten Certification B.V.

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 SGS Belgium NV

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 Tüv Nord Integra bvba

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives

 Vinçotte NV

Scope G-001 - ISO/IEC 17065 - services  
Group 1 : trade compound feedingstuffs, premixtures, feed materials, feed additives;  
Group 2 : storage and transhipment of feed materials;  
Group 3 : transport of compound feed, premixes, feed materials, feed additives (road transport);  
Scope G-001 - ISO/IEC 17065 - production  
Production of compound feed, premixes, feed materials, additives
