

**Advice 17-2009 of the Scientific Committee of the FASFC on a project of royal decree modifying the royal decree of November 14<sup>th</sup>, 2003 concerning the self-checking, the obligatory notification and the traceability in the food chain.**

The Scientific Committee notices that amendments to the royal decree are of a rather limited scientific nature. It nevertheless makes some recommendations.

In conclusion, the Scientific Committee gives a favourable advice on the present draft royal decree provided that the recommendations will be taken into account.
